

Bio Technology Batch process production line/ Fermenter

Customer:

- 800 I/O
- 130 Phases
- 110 Equipment module
- Project management of electrical measuring and control
- Rockwell Automation Logix 5000, RSViewSE
- Hardware planning of electrical measuring and control
- Hardware delivery
- Automation concept
- Programming
- IQ
- OQ
- Connection to OPC

System:

**Rockwell
Automation**
